June poses as the start of Summer, where we all inevitably dust of the shorts and flip flops at the first peak of sunshine and if your a city dweller, clamber to fill every possible inch of green space. While casting an envious eye towards country cousins with their oodles of room. Thankfully Club's here to take your mind off the logistics of barbequing, while elbow to elbow with your neighbour and onto the marvellous melons Kaitlyn Laken is showing off, as well as Miss Hill ready to sink in pink. So, toss aside that pack of sausages and pay attention to your own this June.

Dear Club,

I work for a small recruitment company as an office manager, which means I have to be at work late, as candidates can often only come in for meetings with the recruiters after working hours.

It can be a bit laborious, which is why over the years I've worked here I have developed a game with one of the recruitment managers, Helen, to help pass the time.

Helen is bisexual and we began giving marks out of 10 for the women who would come in to register as candidates. Then it developed into who could get one of them on a date (5 points) and who could bed them (10 points).

I was stunned at how successful Helen was at scoring points, often with women who were straight. My showing, despite being a young guy (27) and in quite good shape, was not so good.

Helen is mid to late 30s, fit and healthy. Short blonde (dyed) hair and always in a tight fitting pencil skirt. She looks good for her age and I am sure she has had breast implants.

We flirt a bit, nothing more, but I have to admit to taking a peak at her cleavage on occasions. She says the low cut tops are part of the job.

One evening, when it was just Helen and me, a girl in her mid twenties turned up for a meeting with Helen. She looked a bit geeky. Not much make-up, glasses, long brown hair, but a lovely pair of legs on show thanks to her short, summer dress.

I would give her a 7 out of 10. I looked forward to Helen's assessment after her meeting with the girl, whose name on the appointment book was down as Jemma.

These meetings with candidates usually last around 10-15 minutes, but on this occasion it was longer. I couldn't lock up until they were done, so I was getting a bit frustrated when they got to 30, then 45 minutes.

I'd had enough of waiting and I fancied my chances of a date and 5 points (at least) with Jemma.

I knew Helen well enough to interrupt the meeting without feeling awkward, so I knocked on her office door and walked in without waiting for an answer.

The scene before me froze me in my tracks. Jemma was sat on Helen's knee. Helen and her were snogging each other pretty passionately and Helen had her hand up Jemma's skirt.

> "...upside down over the desk, I pushed my cock into her warm mouth."

It took a few moments for Jemma to notice my presence and she jumped with a start of embarrassment. Helen just gave me a wink for victory.

She then persuaded Jemma to carry on what they were doing. Helen was pumping her hand up Jemma's skirt and I noticed a pair of white knickers on the desk.

Jemma seemed a bit reluctant to carry on while I was there, but did so anyway. Helen must have been doing something right.

Like any red-blooded male, I was turned on at the site of one woman fingering another woman.

"You don't mind a spectator, do you?" said Helen.

Jemma just shook her head, distracted by the pleasure Helen was giving her.

I did what any guy would do. I grabbed Jemma's knickers and made myself comfortable on the chair across the desk, whipped out my now swollen cock and began wanking with her pants in my hand.

Helen gestured that Jemma stand up and she obeyed. Helen then helped her lift off her dress over her head to reveal a petit pair of tits and a beautifully pear shaped bum.

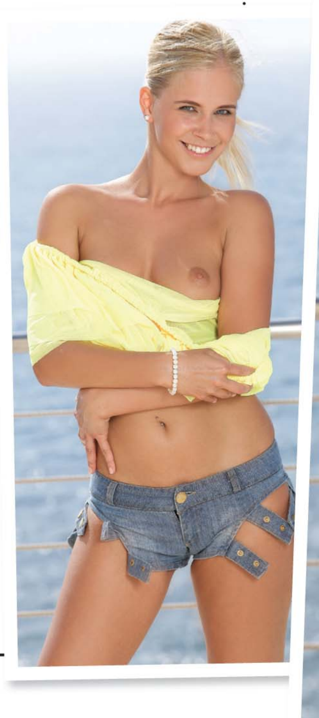
Helen then stripped off too, taking her time, knowing it was turning me on even more.

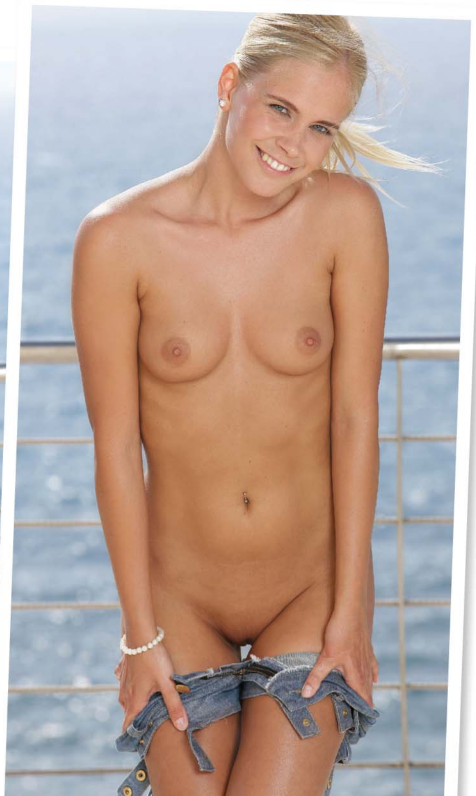
Helen's tits were pretty big and she had clearly had some work done on them, but they complemented her body perfectly.

Once naked, except for her trademark high heels, Helen eased the obedient Jemma on to the desk so that she was perched on the edge. Facing her, she lifted Jemma's legs up and apart and then knelt in front of her, burying her face in Jemma's pussy.

Jemma was breathing heavily and moaning. Helen echoed her moans. I was silent, my eyes transfixed on this scene.

It suddenly dawned on me that, although I had two women going at it with each other in front of me and knowing I was there, I was maybe missing an opportunity by just sitting there playing with myself.





I had to do something otherwise it would be a wasted chance

I stood up, leaned over the desk and cupped my hand around Jemma and over her breasts, fondling them from behind. She didn't mind and leaned back to make it easier for me. I could now see Helen's tongue and finger working on Jemma's pussy.

I eased Jemma right back so she was lying flat on the desk, her had hanging backwards over my side of the desk.

I placed my cock near her face and she kindly stuck out her tongue and licked the tip. With her head almost upside down over the desk, I pushed my cock into her warm mouth.

I rocked my hips very gently and squeezed her tiny breasts. Helen looked up at me and gave me another wink, this time it was one of approval.

Helen and I fucked Jemma in this position for some time. Me with my cock in her mouth and Helen with her tongue up her crack. I think Jemma came because her hips bucked for a moment and she took a breather from sucking my length before recovering and taking it back in.

Helen stopped licking Jemma and stood up, wiping the glistening moisture from her mouth. She turned and knelt on her chair, gripping onto the back of it, her pussy and arse on show for me and Jemma.

"Come on you two. It's my turn," she said.

Jemma stopped working on my cock with her mouth and climbed off the desk, wasting no time in kneeling in front of Helen's gash and forcing her tongue into her from behind. I came round Helen's side of the desk and positioned myself near Jemma's face, unsure whether to put my length back in her mouth after she had had a faceful of pussy, or whether to give Helen a seeing-to from behind.

I opted for the latter the moment Jemma stopped for some air. My shaft glided into Helen and she let out a long moan as it went in. I got into a fast rhythm straight away and forgot about Jemma as I banged Helen from behind. I held her arse cheeks apart as I fucked her. We were both moaning and groaning.

I stopped, took out my cock and put it into Jemma's eager mouth. She sucked it clean before I slid it back into Helen's gaping pussy and carried on fucking her.

Jemma used her initiative and began licking my balls and rubbing Helen's clit while we banged away together.

I could feel the pressure begin to build in my balls and I had to make a quick decision as to where to shoot my man fat.

The decision was made for me. Jemma could tell I was close and at the final moment pulled my cock out of Helen and took it in her mouth. I exploded. It felt like a cannon had be fired. I kept coming and coming.

Jemma seemed to swallow the lot. Then, when I had completely emptied my balls in her mouth, she pulled away quickly, faced Helen's freshly fucked pussy and spat my entire load between her arse cheeks.

My come ran down Helen's arse crack and all over her pussy with a few dribbles running down Jemma's chin. It turned me on so much I was almost ready to go again.

Helen kindly turned round and cleaned the left over cum from the end of my cock with her tongue and then snogged Jemma to make sure she got a taste of every last drop. We all looked at each other and giggled at what had just happened.

> **"My shaft glided into Helen and she let out a long moan as it went in."**

Unsurprisingly, Jemma got a job. She had shown she was an excellent candidate and would be an asset to any employer. Most importantly, she had shown initiative.

Helen and I marked her 10 out of 10 for her interview technique and we both took 10 points each from our meeting with her.

Gary, Manchester.

Kicking off the issue is a lady we've been itching to get our hands on at Club HQ, and finally, I'm pleased to say we've managed to unite Felicity Hill and our camera lens. So three cheers, or maybe three spills would be more appropriate! And once you recovered from the glorious view that we are imparting to you of Felicity's ripe and glistening snatch, we hope you'll still have enough energy for the rest of the magazine.

TOTAL RECALL

Dear Total Recall,
When I was a young man we didn't have access to the internet, and so woman often alluded us, that was until one day I picked up a copy of Men Only Vol 67.07 and clapped eyes on Anita in a maids outfit. I will admit that I've never thought of a bottle of polish in the same way again and she certainly made my pick shine! So a big pat on the back to all the Paul Raymond mags and I hope you'll publish Antia again.

On a sunny, sleepy afternoon, we meet up with the gorgeous Cara Brett who had popped her 32FF's into a Calvin Klein set for us to ogle. The effect was complete when she spun round to reveal a matching thong that showed off her peachy derrière, which had us locked to our seats in awe. We certainly enjoyed the view and hope you do too. Prehaps you'll be seeing Cara on a billboard near you if Calvin Klein have any sense.

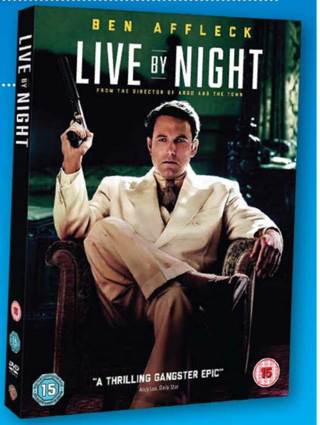
Live by Night

DVD £9.99, Blu-ray £14.99



BEN AFFLECK
LIVE BY NIGHT
FROM THE DIRECTOR OF ARGO AND THE TOWN
"A THRILLING GANGSTER EPIC"

When it comes to set design, Live by Night is immaculately dressed and submerged down to the door signs, as this prohibition jaunt gets underway and with Jess Gonchor, the Coen Brothers' go to, in the frame we wouldn't expect anything else. 1920's Boston is a gangsters paradise, with illegal liquor in high demand there's serious money to be made. Enter Joe Coughlin (Ben Affleck) a small-time crook who makes the near-fatal error of knocking off big-shot gang leader Albert White's (Robert Glenister) squeeze Emma (Sienna Miller). But there's escape on the horizon, as Tampa Florida gives the film some much-needed flare and history to delve into, which as director as well, Affleck explores convincingly. So as Joe and his right hand Dion (Chris Messina) take control of the rum route for the Italian Mafiosi things look set to develop, yet they somehow stall, holding their finger on the trigger, yet never actually pulling it. A lack of balance between action and dialogue, with too many cosy sit-downs that don't feel quite like the law has been laid down. We see an initial flash when problems with the Klu-Klux-Klan arise, but it quickly simmers down to the back boiler again. Still, with a Best Picture winner under his belt and two other solid directing turns to his name, Affleck has proved his worth in front, and behind the camera, so a little wobble is to be expected.

Spilt

DVD £9.99, Blu-ray £14.99

THE NEW THRILLER FROM M. NIGHT SHYAMALAN
JAMES McAVOY
SPLIT

Writer-Director M Night Shyamalan is in tip-top form as Split gives us 23 different character studies all contained in Kevin Crumb (James McAvoy) as he pinballs from one to the other after abducting three teenage girls. After the initial Academy shouts and screams, Casey (Anya Taylor-Joy) learns how to play his characters off against each other, creating internal warfare, but she also quickly realises there's a 24th personality coming, who is more animal than man and the clock is ticking. McAvoy is dazzling throughout and uses very few props. Instead, his characters are wholly formed on expression, voice and body language, showing us a tour de force of acting brilliance, that is creepy, monstrous, funny and at times pathetic. A psycho-thriller that promises to leave you reeling in its wake.

Moonlight

DVD £9,99, Blu-ray £14.99

ACADEMY AWARD WINNER
BEST PICTURE
MOONLIGHT

A five-star standout film of 2016 and Academy Award winner for Best Picture, it sits as a tale of masculinity and coming of age in the face of adversary. The story is told in three powerful stages that deliver access to thoughts and feelings freely. Our main character, Black, is a man of few words with gold teeth, who on release from prison starts a new life in Atlanta Georgia, peddling on street corners. But there is something that he keeps hidden from other and possibly even himself. But it's not the answer that's important here but the question. How did he get there? Barry Jenkins writes and directs without fear, a journey that shows the cuts of life are felt the same by all, but it is our backgrounds that define how deep they go. A ravishing picture that will leave you feeling lighter.

Nokia 3310

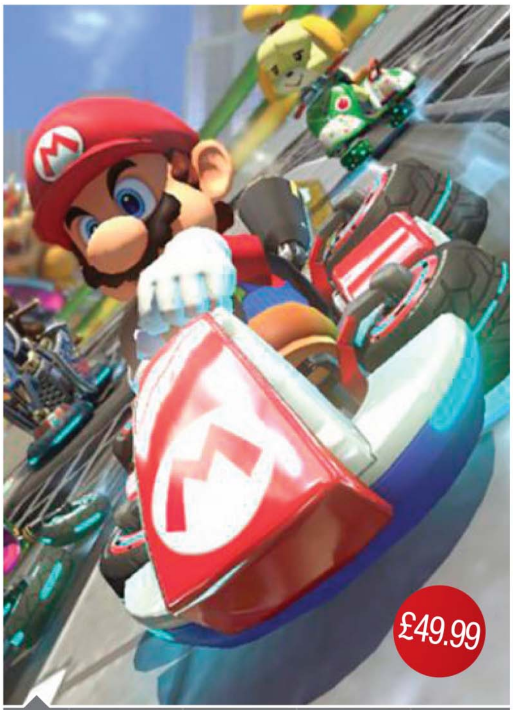
www.nokia.com

H G Wells' Time Machine has provided no end of theories about what we could do if it were actually possible to navigate the time continuum. But in the absence of solid time travel, Nokia have thrown us a bone of a familiar shape and style with an updated version of the 3310; suddenly we could be back in 2002, bar the coloured screen. Now, a lot of us had one of these indestructible phones (my mum still does), but what's new? Well, it's skinnier for a start, lighter at 79.6g, there are different body colours, it has a 2.4-inch colour display and basic web browser, there's even an app store, but best of all it still has snake! SNAKE people! The latest version which is still good. This is a no-fills phone at a no-frills price.

B&O Beoplay P2

www.bang-olufsen.com

Bluetooth speakers are a real hit and miss market with some truly great and awful stuff out there. Thankfully the latest portable speaker from Bang & Olufsen tips the better end of the market; the P2 is a dinky package offering big things. Design wise it's sleek as there are no controls on the kit to break up the body line. The on/off is underneath the logo, and everything else is voice controlled. Of course like everything these days there's an accompanying app that helps with setup. But when it comes to the sound, don't let its small stature fool you, there are powerful speakers under the hood that deliver great bass and mid tones, producing a rich overall sound.



Mario Kart 8 Deluxe

www.nintendo.co.uk

A few issues back now we got our twitchy little thumbs on a Nintendo Switch, which it's safe to say blew our minds and yours by the looks of things, with Nintendo reporting it to be there best and fastest selling console to date. But when it first emerged games were limited, but not for long it seems, and with the release of Mario Kart 8 Deluxe, we couldn't resist a few Prix's in the office. The result? We lost a whole afternoon emersed in the forty-eight courses as we tried any one of the 42 racers on for size with the hope it might give us an advantage over our opponent, as we frantically fly round corners. Plus, Battle mode is back and all the better for it. Mario showcases the Switch at it's best in multiplayer function and provides endless hours of sociable harmless fun. So hold onto your red and blue shells as it's one hell of a ride.

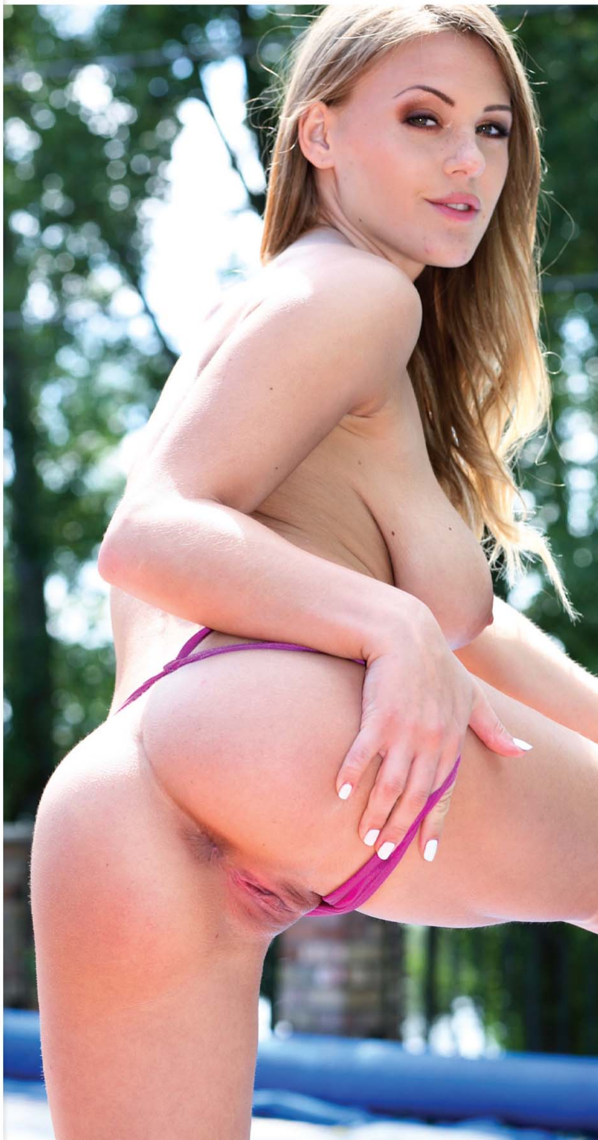
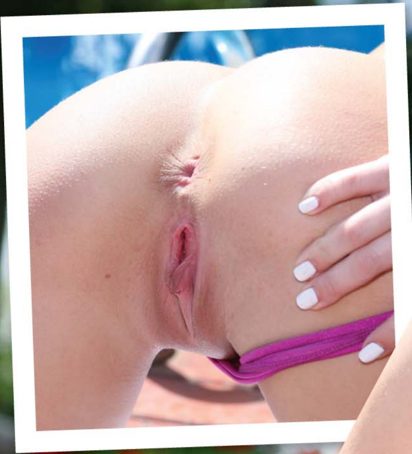
PHOTOS: DAZGLAM





Viola's out to cause a stir amid the water, as the phenomenally hot babe took to the pool in her tiny bikini and she soon lost that.

"It's just so hot today. I'm going to have to jump in and cool off a bit, are you coming?"

My face must have said it all as the completely starkers Viola slipped effortlessly into the pool and I watched on, clutching a towel to the front of my trousers. I think we can safely predict that newbie Viola is going to create quite a splash.

After a hard days work, there's sometimes nothing better than hopping in the shower and rinsing off the toil of the day, as Dovan Kim is keen to remind us here. The Pilipino beauty wastes no time stripping off before unleashing the hose that spritzes her smooth, delicate skin, leaving water droplets to run down her body and into hidden places... hidden for now that is.

“You should never just wash in showers you know, there excellent places to fuck too and one of my favourites!” Davon offered up out of the blue.

So there you go folks, brave the soap and you might get more than you bargained for.

Wicked

WICKED FEATURE
KEEP FRIENDS CLOSE BUT BROTHERS CLOSER
STRIPPED DOWN

Starring: Alana Cruise, Ryan Driller, Alexa Grace, Ana Foxxx, Chanel Preston, Alison Rey, Lucas Frost, Tyler Nixon, and Michael Vegas.

Synopsis: Fate has given brothers Nate & Brian the upper hand in the past. Their strip club had a sizzling reputation for being the sexiest spot in the city, and the cash was rolling in. New girls flocked in every day for a chance to grace the lighted stage and VIP rooms. Life was one big lap dance. But now three years later, Nate's wife Tammy (Chanel Preston) has decided to make some trouble, and the club's star dancer Jezebel (Anna Foxxx) is caught right in the middle. The owner of the building, Veronica (Alana Cruise), is circling, asking questions, and she has her eye on Brian. The business that was so full of happy endings is getting gritty. Where's the rent? Where's the new talent to keep the customers happy? And who the hell stole all the receipts out of Nate's desk? As Nate & Brian watch their girls work the pole, it's only a matter of time before trouble comes crashing down. Will the club survive?

Verdict: The Californian used to bring in all sorts from senators to rappers, it was the hottest girl bar in town, and everybody wanted to work there. They still do if the story line is anything to go by. So once the stars and stripes are out, the story and the legs start to unfold at the bar. But it appears the two brothers Nate and Brian may be losing their grip on their empire as Nate's with money troubles. Nate's missus smells a rat and sends her side crumpet in undercover to do a little digging at the club. But as she ends up digging Nate the superb Eve gets a clit flicking and royal pounding with some sizable girth. There's girl on girl, interracial, cum showers and work fantasies that will have you wanting to open a bar of your own.

LUXURE
THE PERFECT WIFE

Starring: Nikita Bellucci, Samantha Bentley, Mina Sauvage, Ariel Rebel, Megan Rain, Alberto Blanco, Ricky Mancini, Kristof Cale, Juan Lucho, and Max Casanova.

Synopsis: Megan, a young American woman, comes back to Paris to meet her husband Ricky after a long stay abroad. Ricky has some very strange manners. To celebrate their reunion, he invited another man in. Held with a leash like a little pet bitch, Megan will gladly play the role the two men gave her and will show them that she can be very obedient, even more so with a dick in each hole. On her husband's request, Nikita started the evening by wandering in the streets only dressed in her most beautiful lingerie and high heels. On the way back to her apartment, she discovers that her husband had invited two friends. Without a word, she surrenders to their most perverse desires for the night. Pleasure is even better when it's shared. Megan, Ariel, Nikita and Mina will experience it through five hardcore and intense stories. Between seduction and domination games, they will discover sensations they didn't even know existed.

Verdict: This is a game of domination, and these wives will submit, rather happily it seems to the whims and wishes of their husband's perverse minds. There's a lot of action to keep up with from Nikita wandering the streets in some thrilling lingerie to chain and whips that cut quite a sting. This is fantasy that feeds the dark recesses and explores the controlling nature of humanity. An excellent watch if you enjoy role-playing, bondage and domination.

PHOTOS HOLLY RANDALL

We wouldn't like to come up against Elina in a sporting event, as the Club newbie looks fitter than ever in this mountain top photo shoot that clearly shows off all her assets. But we wondered how on earth Elina got up here, as we couldn't see another car anywhere?

"I walked."

What, up that steep mountain?

"Don't look so shocked, I love hiking and being outdoors. Plus it's more of a hill than a mountain, so not that bad."

Bearing in mind we only had to walk 100m, and we were out of puff after that, we're definitely classing this as a mountain.

Playful bickering ensued but was cut short after Elina took her top off, then we just couldn't remember what we had been were talking about.

CHICK LICK

My husband and I have a great sex life. Both of us are open-minded and dirty as hell. One of the things Colin always loves to see me do is suck on his fingers after he's fingered me. This turns him on like anything. I don't know exactly why, but he says it's because he likes to see me taste my own cunt. Anyway, this became such a sexy part of our ritual that I even started doing it (and enjoying it) when I masturbated by myself. In fact, it got me going so much that I couldn't even touch my pussy without wanting to lick my fingers afterwards.

Perhaps inevitably, I soon started to fantasise about sticking them in other women and tasting them, and this fantasy got me so hot when I first had it that I came immediately all over my hand. Pretty soon I was imagining licking another girl's cunt directly, and before too long this became my regular masturbation fantasy.

One night I confessed this to Colin and it really turned him on – though I never suspected in a million years he'd actually do something about it. Then, a few weeks later, Colin came home from work with a colleague named Lisa. I figured they'd come back to knock heads on a project they were developing together, but it turned out this wasn't the case at all.

"She's here for you, darling," Colin confessed after a few drinks.

"For me?"

"You know, that fantasy of yours? Well, Lisa is willing to help you out," he said, winking.

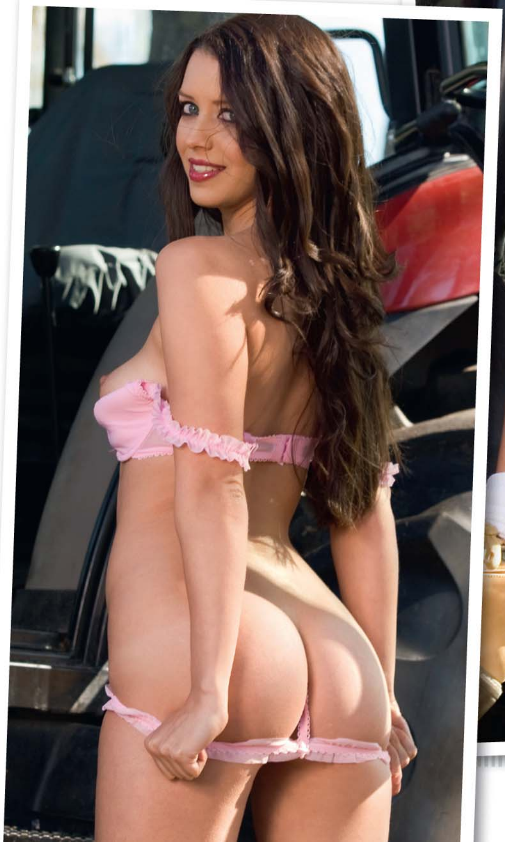
I couldn't believe what I was hearing; Colin had propositioned some lesbian he worked with to come home with him and let his wife lick her pussy. It was all too incredible to be true, but here she was, large as life, and as she smiled and nodded I realised she was only too willing to oblige.

I didn't know where to hide my face at first, but the realisation slowly dawned on me that I could safely fulfil one of my most erotic fantasies – and all with the blessing of my husband, the dirty bastard.

I played for time as I mulled it over in my mind, but I knew I might never get another chance like this – and I felt my pussy flooding just at the thought of it.

"OK, let's do it," I said at last and we all polished off our drinks and headed up to the bedroom. Colin said he was there strictly as an observer, and Lisa stripped out of her clothes and lay on the bed. The first moment I glimpsed her pussy, my heart leaped into my throat. It felt so weird looking at another woman's sex in this way (I mean in the flesh! I've seen plenty on your magazine over the years) and it felt stranger and stranger the closer I got until I had my head in between her legs, just inches from her warm hole.

Her aroma made me so horny I felt positively giddy. Tentatively, I touched her pussy lips with my fingers and gently traced the outline of her cunt, from clitoris to arse a few times and then I slowly pushed a finger inside. Lisa gave a gentle moan as I did that, and pressed back against my finger so that her pussy engulfed it completely. She was slick inside



> “She was slick inside and I slid another couple of fingers in to join the first.”

and I slid another couple of fingers in to join the first. It only took a little pumping before her juices were freely flowing all over my knuckles. After a minute or two of this I pulled my sticky fingers out and sucked on them. They tasted divine. Now I had to try it for myself.

I pushed her legs back and watched her lovely wet pussy splay apart before my eyes. I dipped my mouth down to it and carefully licked along her crack with the very tip of my tongue. My mind was going in all directions as I tongued her fleshy lips and I felt my own pussy start to throb in response to her arousal. I sank my tongue in deeper, then closed my mouth down around her hole and used my whole mouth to pleasure her. Although it was my first time I instantly fell in love with cunnilingus and began frantically rasping at her slot with the flat of my tongue.

Lisa writhed on my face and drew me into her sopping sex with her legs. I stroked her neatly-trimmed pubes with one hand and clawed at her buttocks with the other as I completely lost myself in her sticky fuckhole.

As I ate her out, I felt Colin push my legs apart and slip his very welcome cock into my cunt. He fucked me furiously as I lapped at Lisa’s clit and very quickly made me come. The whole of my body trembled as my orgasm shot through me and I set about Lisa’s bits with renewed vigour, frantic to taste her cream.

Within another minute or so Lisa let out a wail and her juices burst all over my mouth. I lapped up what I could and let the rest trickle down over her arsehole. When Colin told me he was going to come too, I told him to come all over my bum. Lisa had other ideas though.

“Come in my mouth,” she told him. “I want to see what it tastes like.”

Colin looked amazed, but I gave him the OK, so he straddled her face and blew his thick load in her mouth. I couldn’t tear my eyes off the sight as wad after wad of my husband’s spunk spurted into this horny lesbian’s welcoming mouth. Lisa explained later that she’d never tasted spunk up until that point, and she seemed to enjoy the experience, finally grabbing his twitching prick and draining him off into her mouth with both hands before swallowing the lot.

I don’t think I could ever turn totally lesbian as I like cocks too much, but I could definitely get used to threesomes like that – and I think Lisa’d be happy with that arrangement as well!

Caroline, Bexhill.

CRUISE COOZE

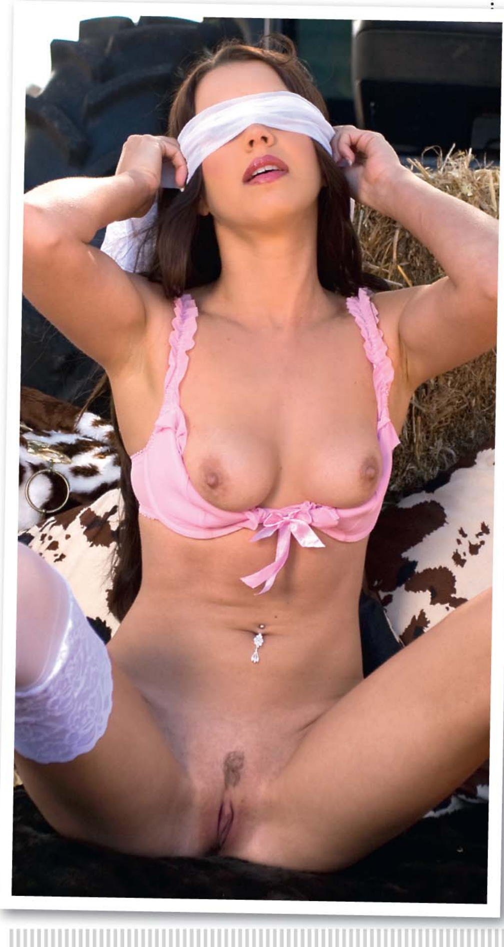
When my best friend Sonia suggested that going on a cruise to get over my latest failed romance was a good idea, quite frankly I thought she was nuts. Surely only old codgers go on those things to sit in

> “...he fucked my cunt faster and faster, banging my engorged pussy into oblivion.”

deckchairs all day and play bingo all night. She’d found an amazing deal though, so in the end I relented and we signed up and joined the ship at Portsmouth for a week-long sail down to Spain and the Mediterranean.

It turned out there were younger people on board – but they were all in couples. Luckily for me, though, most of the crew were fit Mediterranean men more than happy to service any spare fanny going and mine was very, very eager to be serviced. Pietro was the lucky recipient of my tight little cunt and large firm tits after I flirted outrageously with him while lounging by one of the pools on the second day.

He’d brought me a drink and as we chatted, I nonchalantly slipped my fingers between my tanned and oiled thighs and, sure that no-one apart from my new friend could see, let one long nail trace along the groove of my covered hairless twat. He smiled and a bulge appeared in the crotch of his tight uniform trousers. It looked like he was hung like a donkey as the outline of his cock jerked against the taut material. As my cunt started to juice I slipped him my cabin number and he said he’d knock on the door in the afternoon when his shift finished.



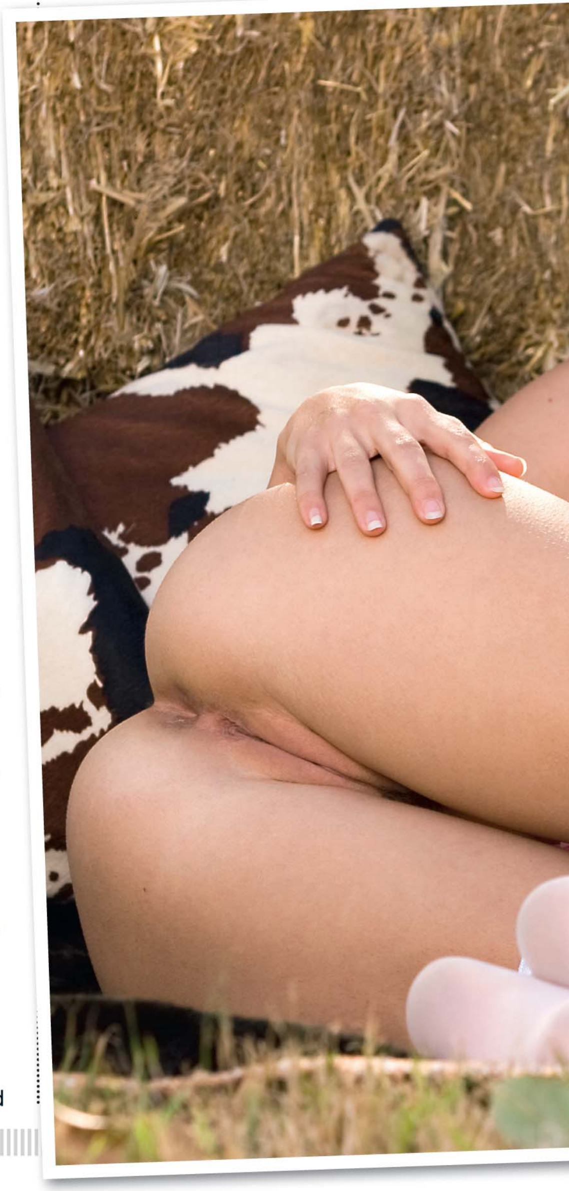
As I waited in my cabin, naked on the bunk, I eased a couple of fingers inside my hole and imagined the fun I was about to have. I was already soaking and my wanking actually created quite noisy squelching noises, which made me feel even more filthy.

Pietro knocked on the door at exactly the time he’d said (he later told me that seamen were noted for their punctuality!) and without taking my fingers out of my dripping slit, I summoned him in. He stood stock still in the doorway, his eyes transfixed on my glistening spread cunt, stuffed full of fingers. I opened my legs even wider as he entered the cabin and with one hand squeezed a breast so that the hard nipple jutted out towards him, invitingly.

Pietro came over and stood next to the bunk leering down at my pornographic display, the massive bulge in his trousers showing me I had indeed chosen wisely. Reaching up I dragged down his zipper and yanked down the front of his boxers freeing his prick. Fuck, he was huge! A thick solid 8 or 9 inches of dusky veined cock meat twitched before me and a pair of heavy come-filled balls backed it up. I grabbed the shaft, wrapping my fingers around the enormous girth of his tool and began to slowly masturbate him, my fingers still jammed in my pussy as the excitement rose in my groin. Pietro bent his knees and let the thick purple knob hover sexily close to my face as I jerked his foreskin back and forth. I had to taste him and flicked the tip of his prick with my tongue. He pressed forward and the whole head pushed into my gaping mouth. Mmmm, I needed this and slurped on his delicious prick, marvelling at the size of the monster. So horny was my predicament that I came over my fingers, the cunt juice pouring from my hole all over my hand and the sheets. My orgasm nearly caused me to choke on the fat pole wedged in my mouth but Pietro had a few ideas of his own and yanked his man meat out of my throat before gesturing for me to go on all fours. I happily obliged and Pietro positioned himself behind me on the bunk, tickling the door to my gooey snatch with the tip of his dick.

I tensed as I waited for the intrusion of that enormous member, pulling apart my bum cheeks so its entry wouldn’t hurt. I needn’t have worried as I was so lubricated with twat sex fluid I probably could have taken two of them up me at the same time! Hmm, now there’s a thought…

An inch went in and the walls of my cunt stretched to accommodate the arrival. Another inch and then another slid inside as Pietro groaned and grunted above me, gripping my buttocks for leverage as he buried more and more of his weapon up my tunnel. My dirty fanny had never been so full yet more pushed inside until I thought I’d burst. Completely stuffed with cock and unable to move I let Pietro grab handfuls of breast as he slowly began to screw me. As he pulled out the muscles of my cunt tunnel relaxed only to stretch again as soon as he pushed back in. Using my tits as handles he fucked my cunt faster and faster, banging my engorged pussy into oblivion. I wanked my clit as he thrust me to the brim with rock hard prick. Pinning me down as he groped my boobs, Pietro hammered his tourist conquest until I came again, the sticky juice remaining lodged inside me as there was no room for it to exit. The pulsing of my fanny muscles did the business and I could feel the massive



dick filling me swell even more.

This I wanted to see as well as feel so I clambered free from his pole and swivelled around so the rigid rod was aimed into my face. Pietro grasped his cock and squeezed as I once more tickled the tip with my tongue. Suddenly my mouth was deluged with spunk. Powerful jets of seed rocketed down my throat, masses of the stuff sprayed over my lips and dripped down my chin onto my boobs as I desperately gulped down as much of his sperm as I could manage.

I slumped back onto the bunk with Pietro beside me and we smeared the remainder of his splatter all over my skin before kissing and cuddling each other playfully. Within seconds I could feel a hard muscle pressing against my stomach as it grew and I realised Pietro was no 'one hit wonder'!

My pussy got well and truly fucked at least twice a day for the rest of the cruise and by the time I got home I felt I needed another holiday just to recover.

And if anyone asks, cruises are certainly not boring in my book!

Rachel, Ipswich.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CONFESSIONS OF A SUNSHINE SLUT!

I can't stand cold, gloomy British winters so when I got made redundant last November, I decided – having no real ties or responsibilities for the first time in my adult life – to spend a chunk of my payoff on a long trip to Thailand, living on the cheap to stretch it out for as long as possible.

I rented a little hut on a beach – more like a campsite with one lot of shared toilets and showers. And if I was freaked out by the idea of living somewhere so basic, I soon got over it. It helped that the locals and my fellow beach bums were friendly – on my third night I met a lad from Finland, Olli. His English was really fluent – he even taught me a couple of dirty words I'd never heard before! He was also fit as fuck and so I spent my days lounging on the sand with him, and nights getting screwed stupid by the hardest dick I'd ever taken.

Obviously, I wasn't the only Brit there – in fact the guy from a couple of huts down was a Glaswegian, Greg. He was a dirty sod – after a week or so I barely turned a hair when I saw him stagger back with a local woman on each arm – and he was letching openly over me. I didn't blame him, if I say so myself – I was slimmer from eating light Thai food, and all toned and tanned from all the swimming, walking and lying about in the sun I did.

Olli wasn't the jealous type – in fact, he got a buzz out of winding Greg up and encouraged me to act sexy around him. Like, if I went to wear a T-shirt to the beach bar, he'd tell me to take it off and let Greg see me in my skimpy bikini. One afternoon I was lazing around in the hut when Olli came in and whispered, "Greg's tossing himself off!" I'd had my headphones in so I hadn't heard a thing, but when I listened, it was pretty obvious that's what he was doing.

Typical of Olli's dirty mind and sense of humour, he said we should give Greg a bit of "wank fuel" – and as he was already stroking me through my bikini bottoms, I didn't say no. He rubbed me through the fabric then pulled them sideways so he could get his fingers in my slit. I was used to trying to muffle my moans and screams when we screwed, but now I just let myself go and realised how much a part of the turn-on they were for me.

Olli was wearing a pair of swim-shorts, so I had his cock out in seconds. He was already hard but I gave him a few bonus hand-strokes before taking him in my mouth for a blowjob. We got a bit of a commentary going, Olli telling me to suck him harder, take him deeper or lick his helmet. I couldn't have spoken with a mouthful that size even if I'd wanted to, but when I popped him out to take a breather – keeping him on the boil with a spit and pre-cum lubed wank – I kept gasping about how huge he was.

We were keeping an ear open for Greg's reaction, listening when we should have been looking – it took us ages to realise he was actually outside, watching us through a little hole in the window

blind. And it seemed he had a hand down his shorts, wanking as he enjoyed the show. Now Olli, doing a perfect pisstake impression of Greg’s Scots accent, said, “Hey, pal – wanna join in? I don’t think my wee dick’s gonna be enough for this lass.”

We thought he’d freak out and run a mile, but he came in and said, “Are you sure?” Olli said yes but Greg asked again, looking at me this time. I wasn’t going to spit the mouthful I was gobbling but I nodded a pretty definite yes and gave him a thumbs-up. I’d been satisfied – slightly spoiled, if I’m honest – by the size of Olli’s dick, and going by his skinny, wiry body Greg didn’t look like he’d have as much to brag about. But if he didn’t have much meat on him all over, he had plenty where it mattered. I felt myself goggle at the huge, wank-hardened length he got out of his shorts.

Olli saw I was impressed and grabbed the back of my hair – not roughly, just to tell me to get my mind back on the job, making it clear who was the alpha male here. And I really went for it, taking him in as deep as I could and rubbing his balls up against my chin. Greg, not quite sure what to do, just stood

there wanking, and I followed suit. The cock in my mouth with another one going spare got my empty pussy twitching and aching.

I planted my knees apart, cunt tilted up and splayed by my fingers, inviting him in. But the second he made a move, Olli pulled out of my mouth, got in behind me and rammed his cock in my snatch. I heard Greg moan – maybe in frustration or just at the live porn show he was getting. And while I felt relief at Olli fucking me – I'd have made it pretty bloody clear if I'd objected – I was a bit annoyed at him for screwing me like he owned me.

I kept looking at Greg, trying to catch his eye, then I winked at him and licked my lips. He walked around the front of me, palming his pole right in my face. I got a good eyeful of it – not literally! It was huge, red and swollen, the skin stretched so tight and smooth I licked it to see how it felt as well as tasted. It was hot and salty against my tongue and I thought he'd cum in seconds but when he looked to be in control, I started sucking him, further into my mouth and harder each time.

When I had half of his shaft crammed in, my moans were muffled, prompting Olli to bang me harder. He'd thrust in and out, thumping up against the head of my pussy then almost slipping out, then he'd fuck me deep, reaching under me so he could rub his hairy balls against my pussy lips. The harder and deeper he fucked me, the more I was forced on to Greg's prick – he was too big to deep-throat comfortably, so I wrapped my hand around his root, controlling how far he slid in. This meant I could let him fuck my mouth however he wanted.

Little to my knowledge, Olli who I thought was busy slamming my pussy, suddenly began to poke at the entrance to my bum-hole, and due to the pounding my pussy had been receiving my juices had spread round, lubricating the entrance. So with a mouth crammed full of Greg I couldn't protest as Olli eased his cock between my cheeks and deep into my anal cavity. He began to slowly pump, building up speed as he started to plough my arse with full-length thrusts. Nearly pulling completely free of my hole and then burying himself in again. It was all I could do to carry on sucking Greg as I filled with an extreme and satisfying pleasure.If you'd told me, while I was slaving away at my stupid, boring job, that I'd end up in a beach hut, one hard cock ploughing me at each end, I'd have laughed in your face. But there I was, and now both guys were on the brink of cumming. Olli was trying to pace himself but Greg didn't even try. He groaned that he was there and the next thing I knew, I was taking two ballsful of jizz in my mouth.

He sprawled back, a bit dazed – like he didn't quite believe this either – then Olli hit the vinegar strokes. He grunted and I felt one hot jet inside me, then he pulled out, slapped his wet prick along my arse-cleft and blew his load all over my back.

Greg tried to sneak out so I said he'd better just be nipping off to get his sleeping bag, as we'd only just got started. Meanwhile, Olli rubbed his dick in the pool of cum, smearing it all over my cheeks and down my crack.

Once Greg was back, I lay in between them, letting them have their fun with me. I asked if either of them fancied doing me up the arse, but I already knew Olli wasn't into that and I think he must have given Greg an evil look because he slid up my pussy instead. Not that he didn't sneak a thumb into my bum while he was pumping away!

One cock is more than enough for me but two was a treat – I'm convinced I cum harder if I'm sucking on a dick as I get screwed. Unfortunately, I didn't get much more threesome fun, as Greg left to see more of the country a couple of days later. I hung around for a week or so after Olli went home, but it wasn't really as much fun with him gone and my money was running out anyway.

I'm back in the UK and temping until I've got enough cash to go away when it gets really cold and dark – I'm not sure where to yet, but if it comes close to living up to my dirty Thai adventure, I'll be happy!

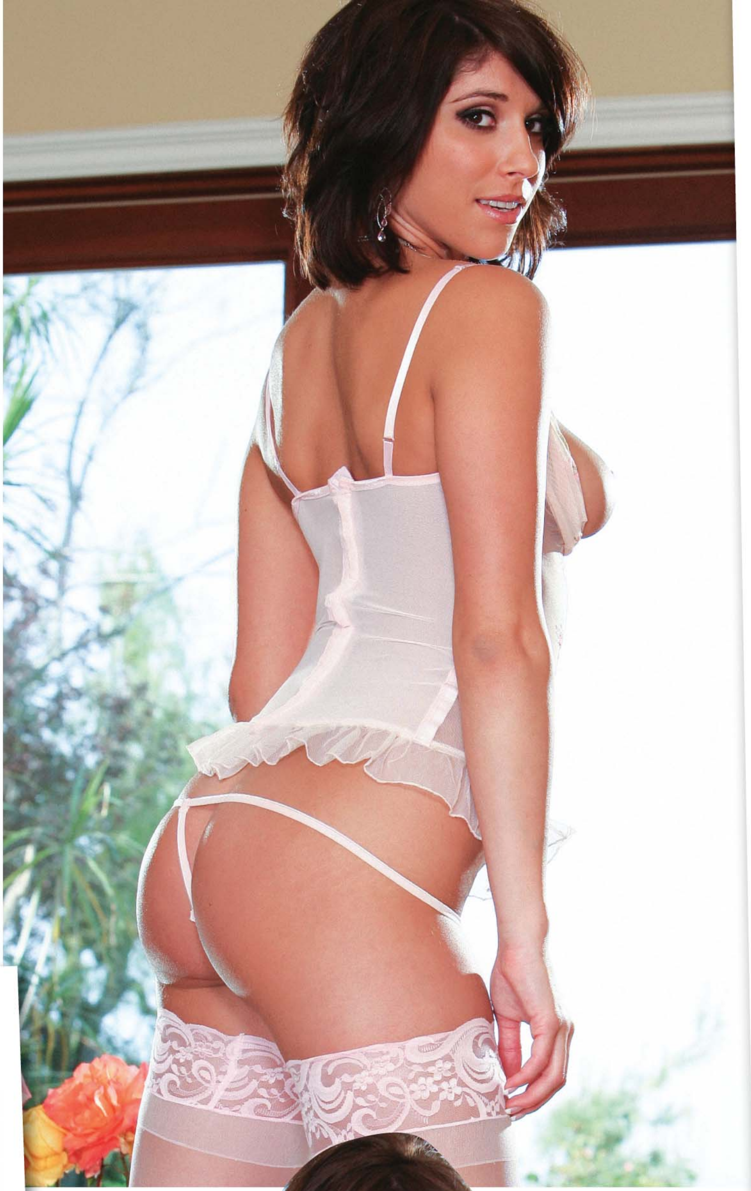
Miley ♣

PHOTOS: SAGESTYLE



"There's nothing quite like cracking open a cool beer on a hot day." Miley Ann tells us. "Plus you can use it as a cooling aid!"

We, of course, are now having visions akin to a female version of the Coca-Cola advert, involving a stripped-down Miley and a can of Kronenbourg being lusciously rubbed against her naked flesh. But back to reality, and American girl Miley Ann is looking like our kind of lady.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bot-Bride!

According to the South China Morning Post, engineer and head of start-up company Brain of Things Zheng Jiajia has married the female robot he created. The informal ceremony was traditional but not legally binding, with the bride wearing a black dress and a red scarf draped over her head. A master stroke in PR we can all guess this to be, as the female bot built last year and named Yinging, is also the company spokesperson for Brain of Things. Jiajia reportedly told local publications that Yinging has an upgrade plan and soon will be able to talk, move and do housework. Soon the crossed wires of martial hell may be rewired to create bliss, in which case a programmable wife sounds like a dream!

Monkey Putts!

Monkeying around is all part of growing up, and in this enclosure, there appears to be one individual who's cheekier than the rest. Guests at the John Ball Zoo, Michigan, were interacting with an excitable chimp and encouraging his behaviour when the chimp made an underarm throw of an object into the crowd. As people looked around to investigate the object a cry was heard "It got Grandma!" And so it had, as a piece of faeces can clearly be seen attached to poor old grandma's hooter, which caused raucous laughter amidst the crowd.

In a statement, the zoo acknowledged the incident and hinted that the chimp's behaviour might have been fuelled by the audiences taunting and hollering. We don't think grandma expected such a walk on the wild, but hey, monkey shit my take off as the next must have facial.

Bullseye!

Freaks of weather are nothing new especially in Australia, but when the powerful cyclone Debbie hammered the northeast coast recently, Queenstown gained a rather snappy visitor to its streets. As flood levels subsided a bull shark emerged, that had been lurking beneath the muddy waters, prompting comparisons to the sci-fi film Sharkado. A dangerous predator, Bull sharks, are highly aggressive and thought to be one of the leading species behind human attacks. So tickling one of these with your toes in flood water could prove disastrous. The marine deposit was stumbled upon by reporter Philip Calder, who was covering the storms damaged near the town of Ayr. The shark is thought to have come from a local river that is reportedly infested with the sharp-toothed creatures; understandably locals won't take a dip there.
